Business Banking Services - Money **And So Much More!**

A Breakfast Meeting for Women Business Owners
The fourth in a Series

Santa Ana – Attend the ***Women's Breakfast for Champions*** being held on Friday, October 20, 2006 from 7:00 a.m. to 9:30 a.m. at the El Adobe Restaurant, 31891 Camino Capistrano in San Juan Capistrano. This program is presented by Orange County SCORE "Counselors to America's Small Business" and sponsored by Washington Mutual Bank. It is an educational opportunity to learn from other successful women in business and will allow women to

- share ideas, information and advice
- display products and services
- learn about SCORE and SBA programs and services, including loan programs and other sources of financing, and
- keep current on matters relevant to small business owners.

"This breakfast series has been designed for the attendees to leverage SCORE's core competency as a network of business knowledge and experience" said Bill Morland, Chapter Chairman. "It will also be used to showcase SCORE client successes and provide a blend of information and inspiration".

Karen Racusin, Senior Vice President, Small Business Banking with U.S. Bank, and an advocate for small businesses, will provide tips for successfully interacting with your banker and information on specialized services offered to help you run your business more efficiently.

The cost for the breakfast is \$25.00 with pre-registration and \$30.00 at the door. For exhibit table registration, add \$25.00. Seating is limited so reserve your space today. Visit the SCORE website at www.score114.org or contact SCORE at wib@score114.org.

All SCORE programs and services are extended to the public on a non-discriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested two weeks in advance. Contact the U.S. Small Business Administration at (714) 560-7455.
